Forward

Greetings from CCS National Institute of Agricultural Marketing, Jaipur.

Agricultural Marketing in India has been witnessing rapid changes in the recent past. To reduce the information gap and to assist farming community, CCS NIAM has made efforts to compile the data of major Farmer Producer Companies of North Eastern States of India. This would also help in minimising gap between Farmer Producer Companies and Market. I hope this directory will benefit Farmers to realise the dream of profitable Agriculture.

(Dr. P. Chandra Shekara)
