

Post Graduate Diploma in Management Innovation, Entrepreneurship & Venture Development (PGDM-IEV) 2026-28

Chaudhary Charan Singh National Institute of Agricultural Marketing

(An Autonomous Organization of Ministry of Agriculture and Farmers' Welfare,
Government of India)

Kota Road, Bambala, Pratap Nagar, Jaipur-302033 (Rajasthan)

Message from Director General

Shri Muktanand Agrawal, IAS

**Joint Secretary, MoA & FW, Government of India &
Director General, CCS NIAM**

Agriculture remains a cornerstone of the Indian economy, contributing significantly to food security, supplying essential raw materials to various industries, and providing livelihoods to a large rural population. It also plays an important role in driving capital formation, rural development, and overall economic progress. In this context, agripreneurship has evolved into a vital force that supports growth within the sector by promoting innovation, improving efficiency, and enhancing economic viability, agripreneurial initiatives help modernize agricultural practices and strengthen rural ecosystems.

CCS National Institute of Agricultural Marketing (CCS NIAM), Jaipur, has steadily grown since its establishment in 1988. The institute introduced its first self-funded program, the PGDM-ABM, in 2001–03, marking a major milestone. Over the years, CCS NIAM has emerged as a leading national institution contributing to the development of the agri-business landscape in India and beyond.

In response to changing industry needs and the growing demand for skilled professionals, CCS NIAM launched the PGDM-IEV, a full-time two-year AICTE-approved programme, in 2023. Designed for innovators and aspiring leaders, the programme blends conceptual learning with practical exposure through projects, field engagements, and internships. The structure enables students to build strong professional competencies, interact with industry experts, and gain insights that prepare them for diverse career paths. This initiative reflects NIAM's commitment to developing capable professionals who can contribute meaningfully to agricultural and allied sectors.

NIAM has also been playing a significant role in supporting entrepreneurial development in agriculture, working closely with various stakeholders across the country. The institute has extended mentoring and capacity-building support to numerous initiatives and continues to contribute to strengthening agri-based enterprise development.

I extend my best wishes to all aspirants and hope that their journey with CCS NIAM leads to meaningful learning, growth, and impactful contributions to the sector.

Message from Director

Dr. Sahdev Singh

**Director, PGDM-IEV
CCS NIAM**

The CCS National Institute of Agricultural Marketing (CCS NIAM), Jaipur, has made remarkable progress since its establishment in 1988. Over the years, the institute has built a strong reputation through its academic excellence, effective management culture, and the consistent achievements of its students. With each passing batch, NIAM has further strengthened its identity as a prominent institution in the agri-business domain.

The PGDM-IEV programme at CCS NIAM is designed to provide holistic development to students, enabling them to become competent professionals capable of navigating the dynamic agricultural and agri-business landscape.

Through a balanced blend of classroom learning, field exposure, summer internships, guest lectures, academic interactions, and subject-based projects, students acquire a comprehensive understanding of diverse aspects related to the programme.

To deepen this understanding, CCS NIAM offers valuable exposure through corporate interactions, field visits, conferences, workshops, and sector-specific projects. These engagements help students appreciate the complexities faced by farmers and other stakeholders, while equipping them with the ability to conceptualize and support practical solutions. The student-centric environment at NIAM, supported by faculty and industry involvement, nurtures analytical thinking, creativity, problem-solving skills, teamwork, and leadership qualities.

CCS NIAM consistently provides its students with excellent opportunities, resources, and an enriching learning environment. The agri-business sector today requires enthusiastic, adaptable, and technologically aware managers—qualities that NIAM students continue to demonstrate.

Best wishes to all the students joining CCS NIAM and a bright future ahead.

Message from Program Co-Ordinator (IEV)

Dr. Shuchi Mathur

Deputy Director, CCS NIAM

Greetings from the CCS National Institute of Agricultural Marketing!

It is with immense pride and enthusiasm that we welcome you to the Post Graduate Diploma in Management – Innovation, Entrepreneurship, and Venture Development (PGDM-IEV) at CCS NIAM. You are joining a programme created for thinkers, innovators, and change-makers—those who aspire not only to build successful ventures, but also to create meaningful impact.

As an autonomous institution under the Ministry of Agriculture & Farmers Welfare, Government of India, CCS NIAM stands at the confluence of policy, practice, and purpose. We are deeply committed to nurturing innovation and entrepreneurship in agriculture and allied sectors, while empowering ideas that transcend boundaries and address real-world challenges. The PGDM-IEV programme is a carefully crafted journey that blends academic excellence with experiential learning. Designed in collaboration with experts from premier institutions such as the IIMs and EDI Ahmedabad, and guided by accomplished industry leaders, the curriculum equips you to think boldly, act strategically, and navigate the complexities of venture creation in a rapidly evolving global landscape. At CCS NIAM, learning extends far beyond classrooms. Through industrial visits, milestone-driven projects, live assignments, and hands-on training, you will engage directly with the entrepreneurial ecosystem. Students from diverse academic and professional backgrounds come together here, enriching the learning experience and fostering interdisciplinary perspectives that spark innovation. Equally important is the vibrant and supportive academic environment we cultivate. Interactions with distinguished faculty, accomplished entrepreneurs, and domain experts through webinars, masterclasses, and mentoring sessions will inspire you to challenge conventions, collaborate fearlessly, and pursue excellence.

We invite you to embrace this transformative journey with curiosity, courage, and commitment. Let your ideas take shape, your ambitions find direction, and your ventures create lasting value. Together, let us shape enterprises that drive innovation, strengthen livelihoods, and contribute to a more sustainable and progressive future. Wishing you an enriching and successful journey ahead.

About

CCS National Institute of Agricultural Marketing

Established in 1988, under the Ministry of Agriculture and Farmers welfare, Government of India, the Chaudhary Charan Singh National Institute of Agricultural Marketing (CCS NIAM) is vested with the responsibility to fortify the agricultural marketing sphere by rendering specialized training, research, and consultancy to India and other South-East Asian countries.

The commencement of the management education at CCS NIAM was from the year 2001 wherein a two year fully residential Post Graduate Diploma in Management(Agri-Business Management) was launched. Management Education, since then, has been a foremost concern for the institute to deliver the most promising human resource to the industry. The students at CCS NIAM go through an intensive academic rigour to come out as the most talented and committed riches for Agri-Business and Food industry.

The students are imparted learning on the basics of new venture development by means of concept-based action learning modules.

The program has been designed in a way that all the subjects fall within one of the following four core elements - Entrepreneurship, Venture Fundamentals, Startup & Innovation and Project.

The minimum total amount of credits required to be allocated to compulsory subjects should be 102.0 as per AICTE guidelines. The course architecture is in accordance with the guidelines with total compulsory course credit of 115.0 and total optional course credit of 44.0.

LEARNING OUTCOME OF PGDM-IEV

Exposure to entrepreneurial Culture and facility of on- campus CCS NIAM Agri-Business Incubator

Training and mentoring to help conceive and Innovative Business Idea in PoCs

Business Model & Fund Raising

Industry Integrated learning

Sustainability and Growth

Career and Employment Opportunity

The objective of this program is to prepare young minds towards self-employment and create employment opportunity for others through enterprise development in agriculture and allied areas.

PGD IEV graduates will be preferred candidates to coordinate and lead pre- incubation centers in academics such as Entrepreneurship Development Cells (EDC), IEDC, New Gen IEDC, Start-up Cell, Innovation Cell etc.

Entrepreneurs have opportunity to join leadership positions at various organizations

Mentoring & Handholding

Understanding the importance of mentoring and handholding, budding entrepreneurs are provided technical support, guidance, and inspirational networking throughout the program, until they reach a level where they are not only self-sufficient but in turn are able to do business on their own. The program facilitates networking with mentors, industry experts, and business service providers, besides ensuring access to literature, library, faculty resources and facilities available at CCS NIAM Agri Innovation & Incubation Centre for startup innovation and growth.

Faculty

Faculty and experts at CCS NIAM have niche specializations in their own respective fields and are a blend of prominent academicians, researchers, entrepreneurs, consultants, and practitioners

Opportunity to raise fund/grant

CCS NIAM Agri Innovation & Incubation Centre provides support in availing grants, raising angel/equity from venture funds, and also debt funds from the banking system.

MSME Business Incubator (MSME BI)

MSME Business Incubator scheme is to promote and support the untapped creativity of individuals and to promote adoption of the latest technologies in manufacturing as well as knowledge-based innovative MSMEs (ventures) that seek the validation of their ideas at the proof of concept level.

Startup India Scheme (SIS)

The Government of India launched the Startup India Seed Fund Scheme (SISFS) under DPIIT to provide support for developing PoC, prototype, marketing, testing & trial, etc. Funding support provided under SISFS consist of the grant and convertible debentures. CCS NIAM is one of the agri business incubation centers approved under Startup India Scheme.

Ministry of Education's Innovation Cell (MIC) & AICTE

MIC & AICTE funds 45 innovations from HEIs and provides grant support up to Rs. 10 lakhs per innovation towards refining innovation, building the start up and availing incubation services.

Entrepreneurial Ecosystem at CCS NIAM

CCS NIAM Agri Innovation & Incubation Centre

CCS NIAM Agri Innovation & Incubation Centre is a funding incubator supported by RKVY RAFTAAR Division, Ministry of Agriculture & Farmers Welfare, Govt. of India. The Centre promotes and nurtures Agri-Business Startups in the country with grant-in-aid support under two funding programmes namely:

- Students Orientation Programme (SOP) : Upto INR 4 lakhs
- Agipreneurship Orientation Programme (AOP) (Pre-Seed): Upto INR 5 lakhs grant-in-aid support to selected startups
- Startup Agribusiness Incubation Programme (SABIP) (Seed Stage): Upto INR 25 lakhs grant-in-aid support to selected startups

STARTUP AGRI-BUSINESS INCUBATION PROGRAMME

**One Month in-house training Programme for Agri
based startups
No Registration fees**

**Any Indian start-up as per DPIIT notification
can participate**

Seed Funding to startups for scaling up

**Grant in aid up to Rs.25 Lakhs to eligible
startups by Ministry of Agriculture and
Farmers' Welfare**

Objectives:

- To ensure timely seed support to deserving incubates
- To enable translation of minimum viable product (MVP) to marketable stage
- To provide a platform for faster experimentation and modification in their approaches or minimum viable product (MVP)

For more details visit our website: www.niam.nabi.com

ACHIEVEMENTS OF CCS NIAM AGRI INNOVATION & INCUBATION CENTRE

750+ agri startups incubated

325+ startups recommended for grant-in-aid

INR 30+ crores grant-in-aid support facilitated

**INR 6+ crores external funding (Angel / VC) raised
by our startups**

**500+ innovative products & services
commercialized**

12,000+ livelihood opportunities created

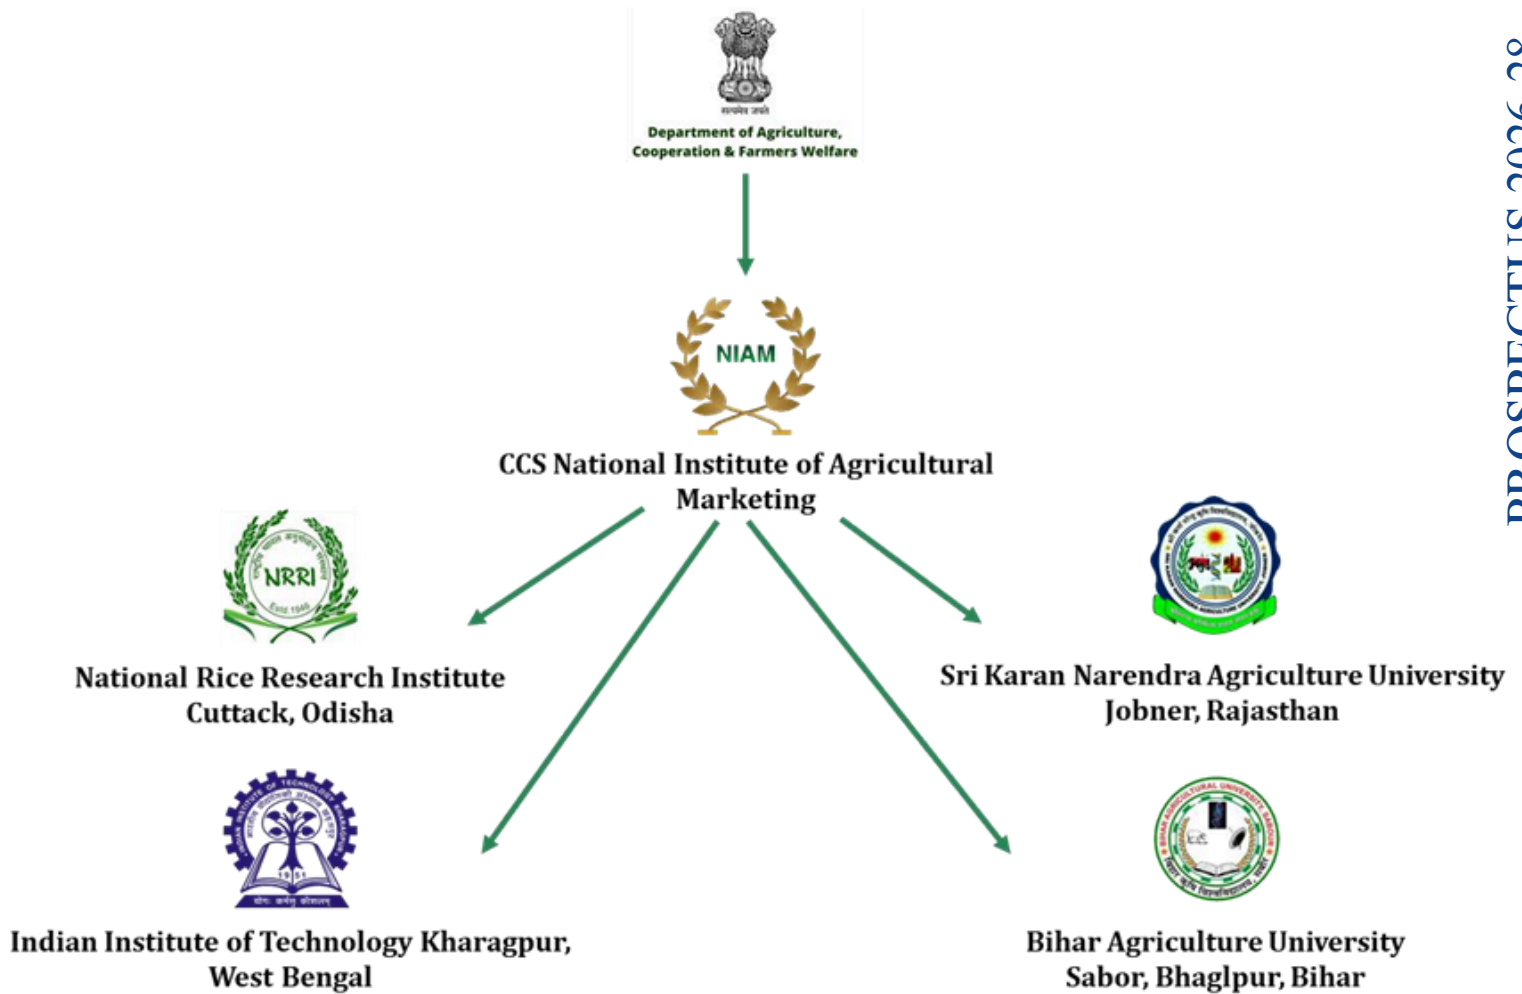

**150+ IPR filed by our startups (Patent, Trademark,
Copyright, etc.)**

Incubation Support

ADMISSION PROCESS - PGDM-IEV 2026

1. Eligibility: The applicants must have a bachelor's degree in any discipline with at least 50% marks or equivalent CGPA (45% in case of the candidates belonging to Scheduled Caste (SC)/Scheduled Tribe (ST), Persons with Disability (DA) category) from a recognized university or Institution. The Bachelor's Degree or equivalent qualification obtained by the candidates must entail a minimum of three years of education after completing higher secondary schooling (10+2) or equivalent.
 2. The candidates must have a valid Score of CAT / XAT/ MAT/ ATMA/ G-MAT CMAT-2025-26
 3. Reservation of seats will be applicable for OBC (Non-Creamy Layer), SC, ST, DA/PH, EWS and Kashmiri Migrant categories as per Govt. of India rules.
 4. Candidates who are in final year of their graduation can also apply and submit their provisional certificate and mark sheets/grade card indicating up to date and latest cumulative marks/CGPA/OGPA till the previous year/semester and also indicate the same in the application form. Their provisional eligibility will be decided based on the same. If selected, they may seek provisional admission into the programme on payment of the required fee and other charges as specified. After joining the programme, they will have to submit the provisional degree certificate and aggregate marks/CGPA/OGPA latest by August 31, 2026 failing which the provisional admission will automatically stand cancelled.
 5. There will be no refund of fee paid by the students, in the event of the cancellation of their admission for the above reasons. All applicants are required to submit attested photocopies of documents along with the application as indicated in the application form. They must produce all original documents for verification at the time of interview and admission.
 6. It is the responsibility of the candidates to ascertain and ensure that they possess the requisite qualifications for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility for admission will be decided by NIAM.
 7. A multi-stage selection procedure will be followed for admission as described below: Merit list will be prepared for calling candidates for group discussion and personal interview based on CAT / XAT/ MAT/ ATMA/ G-MAT CMAT-2025-26 score as per the weightage formula mentioned in multistage selection procedure.
- The merit list will be prepared category wise i.e. General Category, OBC (Non Creamy layer), EWS, SC,ST, PH, Kashmiri Migrants

ADMISSION PROCESS - PGDM-IEV 2026

Work Experience weightage shall be awarded as per the following plan

S.No.	Years of Experience	Weightage
1.	Minimum 6 months to one year	1.0
2.	>1 to 1½ years	1.5
3.	>1½ to 2 years	2.0
4.	>2 to 3 years	3.0
5.	>3 Years	3.5
0.5 marks extra shall be awarded for each year's job experience in agriculture & allied sectors and in rural development with an upper ceiling of 5 marks in work Experience.		

ADMISSION PROCESS - PGDM-IEV 2026

The candidates who have both CAT / XAT/ MAT/ ATMA/ G-MAT CMAT-2024-25 scores should mention both these scores in the appropriate column provided in the application form. Based on the above formula whichever score is advantageous to the candidate will be used to determine the merit in the selection process.

Candidates shall be called for group discussion, personal interview and other

testing parameters based on CAT/other Score for different categories. Cut off for CAT and Other score will be decided after last date of filling of application depending on number of applications received. Registration fees will not be refunded to any candidates.

Personal interview and Group Discussion may include subjects to test candidate's aptitude for Agriculture and Management. Candidate's record in extracurricular activities and any additional qualifications or accomplishments may also be considered during the interview process.

The final merit rank list will be based on the summation of points earned in all the assessment items mentioned above.
